Hi Friend!

I'm so happy to welcome you to "The Nature of Things". As a thank-you for joining me, I've made an exclusive gift for you — a printable art piece titled *Look Up, We Are Here*. It is meant to offer a moment of pause — a quiet reminder that we are all connected under the same wide sky.

Warmly,

Kristin Logsdon

PRINTING INSTRUCTIONS:

This print is sized 8"x10" and prints beautifully on standard size letter paper. I recommend printing on matte cardstock or fine art paper for the best texture (a local printshop could handle this for you.) I have included trim marks, so you know where to cut the paper down to the print size of 8x10.

ARTIST NOTE

For personal use only — thank you for honoring the intention behind this gift.
